Faculty of Engineering
Sciences
Berliner Straße 45
69120 Heidelberg

**Application for Admission as a Doctoral Candidate
at the Faculty of Engineering Sciences**

Family/Surname: _____

Given Name: _____

Address: _____

E-Mail: _____

I hereby apply for admission as a doctoral candidate at the Faculty of Engineering Sciences

Subject area : _____

Please indicate which title is pursued: Dr. rer. nat. or Dr.-Ing.

Start date of the dissertation project: _____

Thesis Advisor: _____

If the thesis advisor is not part of the Faculty of Engineering Sciences, please contact the
Doctoral Degree Committee.

I attach certified copies of my undergraduate and graduate degree certificate(s).

*If the graduate degree was awarded for a subject different from that of the planned
dissertation thesis, you have to prove sufficient knowledge in the doctoral subject (s. § 4

doctoral degree regulations). The doctoral degree committee will determine the necessary competences required.

The agreement on doctoral studies, referring to this application is attached.**

I declare, that I have neither filed an application for acceptance as a doctoral student at another institution nor have I applied for a doctoral examination procedure elsewhere.

Place, Date

Signature applicant

Note:

The regulations concerning the conferral of a doctoral degree of the Combined Faculty of Mathematics, Engineering and Natural Sciences, Heidelberg, apply.
Binational dissertation projects are in regulated in a separate agreement. (at the beginning of the project).

This application for admission as a doctoral candidate must be accompanied by the agreement on doctoral studies between advisor and doctoral student.

Before you submit your application for admission as a doctoral candidate at the Dean's office, the electronic dissertation-file has to be filled out at [heiDOCS portal](https://doktoranden.uniheidelberg.de/#!/signup) of Heidelberg University:
